

Year 1 - Independent/Home Learning Tasks Hedgehog Class

Thursday 4th February 2021

Well done for completing your tasks yesterday. You (and your parents) are doing so well. It's great to see you all smiling on the screen. Keep working hard but also remember to have some fun too! Make sure you do something away from the screen today. You could try building, baking or making something - be creative! Your parents can email us if they have any problems or questions.
