

Year 1 - Independent/Home Learning Tasks Hedgehog Class

Monday 8th February 2021

Week 6! Well done for completing your tasks last week.

I loved seeing the photos of your work - they were brilliant!

Remember to keep practising your sounds for phonics. The sound mats are in the first folder on the website. These are useful to practise reading but also great to help spelling when writing. Try to keep practising your handwriting too - a sentence a day using your best writing will really help.

Your parents can email us if they have any problems or questions.

Any resources you need for lessons will be on the school website. Click on the 'parent' tab, then 'home learning' and your 'class' page. Here are today's learning tasks!
