I have written a travel journal about Kenya but the photos have fallen off! Draw a picture for each landscape.

My Kenya Travel Journal

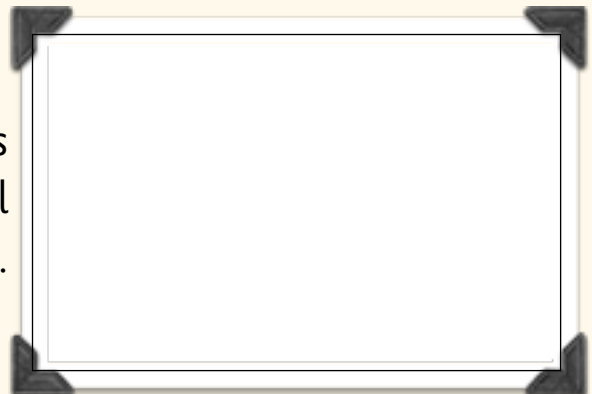

Kenya has lots of savannahs.
They are flat and have tall,
golden grasses.

Kenya has some tall mountains.
Some of the mountains are
volcanoes. The tallest
mountains have snowy tops.

Kenya has lots of beautiful
beaches.

Kenya has some busy towns
and cities as well as small
villages in the country.
