

$\frac{1}{4}$ s and $\frac{1}{2}$ s of shapes

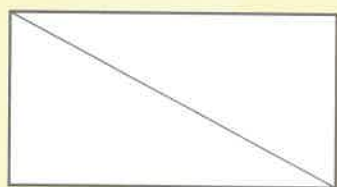

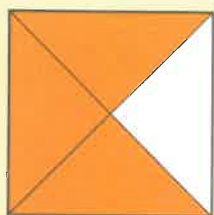

$$\frac{1}{4} \quad \frac{2}{2}$$

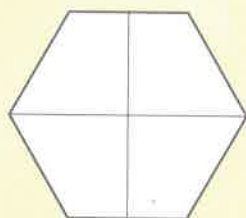

$$\frac{3}{4} \quad \frac{2}{4}$$

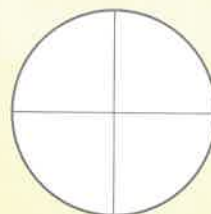

$$\frac{1}{2} \quad \frac{4}{4}$$

$$\frac{1}{2}$$

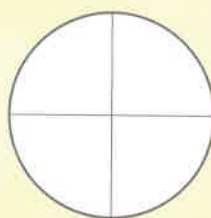

$$\frac{2}{4}$$

$$\frac{1}{4}$$

$$\frac{2}{2}$$

$$\frac{3}{4}$$

1. Draw lines to match the fractions to the six shaded shapes.
2. Colour each white shape to match the label below it.

Cut and fold the shapes from resource sheets 557 and 558 to help you.

Draw your own shape. Divide it into $\frac{1}{4}$ s and colour in $\frac{1}{4}$. Use a ruler to divide the shape.
