

Making 9

3	9	2	7	7	1
6	0	5	4	5	3
3	1	8	6	8	2
4	7	2	1	8	4
5	2	3	6	1	5
4	6	0	9	9	6

Draw a loop around as many pairs of next-door numbers that total 9 as you can.

ACTION

Use a tower of nine interlocking cubes. Split it in different ways to help you.

THINK

Choose two numbers that add up to 9. Take the smaller number from the larger number. Repeat this and look for the patterns.
