

Counting on by 1, 2 and 3

$21 + 2 =$

$26 + 1 =$

$23 + 3 =$

$27 + 2 =$

$30 + 1 =$

$29 + 3 =$

$32 + 2 =$

$34 + 3 =$

Find the larger number on the number track and count on by the smaller number.
Write where you land in the answer box.

ACTION

Use a bead string, a counter on a number track or your fingers to help you.

THINK

Choose a number from the track. Count on 3. Put your finger where you land. Can your partner work out where you started?
