

# Adding 4, 5 and 6

$$44 + 5 = \square$$

$$35 + 4 = \square$$

$$21 + 5 = \square$$

$$40 + 6 = \square$$

$$24 + 4 = \square$$

$$13 + 5 = \square$$

$$14 + 6 = \square$$

$$30 + 4 = \square$$

$$37 + 5 = \square$$

$$45 + 5 = \square$$

Count on the extra acorns. Write the answers in the boxes.

Use a number track or count on by pointing to each acorn to help you.

Write three additions with an answer of 46.
