

**Reception - Independent/Home Learning Tasks**  
**Tuesday 2<sup>nd</sup> March 2021**

WOW!! This week is the last week of online learning. We have all worked very hard during the lockdown and we are looking forward to seeing you all next week, in person!!

This week there are only four days of online lessons. There will be no lessons on Wednesday as your teachers have meetings with your parents.

As always, if you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

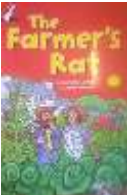

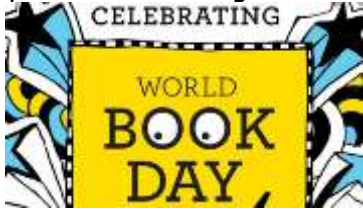

Your parents can email us if they have any problems.
