

Reception - Independent/Home Learning Tasks

Friday 22nd January 2021

Happy new Year! Unfortunately, we can't all be in school together at the moment, but we will hopefully see you every day via our Team's lessons.

If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email us if they have any problems.

twisken@attleboroughprimary.org.uk

jskinner@attleboroughprimary.org.uk

Any resources you need for lessons will be on the school website. Click on the 'parent' tab, then 'home learning' and your 'class' page. We love to see your work so please share it with us on Tapestry as often as you can!

Here are today's learning tasks!

Live Lessons (via Teams)

Phonics: We look forward to you joining us for phonics at: **9.15am or 9.45am (please see email invite for specific time)**

Follow up activity after lesson:

Today we have learnt some new tricky troll words and fairy words.

Keep practicing the list below and ask an adult to see how many you know.

Maths: We look forward to you joining us for maths at: **10.15am or 10.45am (please see email invite for specific time)**

In today's lesson we looked at how we can use coins to make different values of money.

Follow up task:

Make a toy shop at home. Make some price tags for some different items around your home and play shops. Can you use the correct amount of money to pay for your shopping?

Topic: **This afternoon there is no online lesson.**

This week we have been learning about our home town of Attleborough. Draw a picture of your favourite part of Attleborough and write a sentence to say why it is your favourite.

Fairy words tricky troll to learn

Spend some time learning to read these common words. The pink words are **fairy words** and the green words are **tricky troll words**. Tricky troll words are hard to read as you cannot sound them out and blend them, so need to learn them on sight.

**and, is,
it, in,
at
the, no
go, i, be**

Reading

Please read every day for at least 10 minutes. If possible, we'd love to see a video of you reading... upload this onto tapestry if you can!

Be Active

3 Minute Challenge.

Challenges this week

- Can you make an ice decoration? Look at the instructions sheet online to find out how to make one.
- Build a model of your house. Use cereal boxes, toilet rolls...to build a 3D model of your house.

- Use cardboard to make a threading picture.

Useful Websites for extra learning

BBC Bitesize have daily lessons for in all areas of the curriculum. <https://www.bbc.co.uk/bitesize>
