

Reception - Independent/Home Learning Tasks

Friday 5th February 2021

Happy new Year! Unfortunately, we can't all be in school together at the moment, but we will hopefully see you every day via our Team's lessons.

If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email us if they have any problems.

Any resources you need for lessons will be on the school website. Click on the 'parent' tab, then 'home learning' and your 'class' page. We love to see your work so please share it with us on Tapestry as often as you can!

Here are today's learning tasks!
