

Reception - Independent/Home Learning Tasks

Friday 5th March 2021

WOW!! This week is the last day of online learning. We have all worked very hard during the lockdown and we are looking forward to seeing you all on Monday, in person!! Three more sleeps!!

IT'S THE LAST DAY OF HOME LEARNING!!!!!!!

Here are today's learning tasks!

Live Lessons (via Teams)

Phonics: We look forward to you joining us for phonics at: **9.15am or 9.45am (please see email invite for specific time)**

Beegu

Today we revisited the story of Beegu. He has many friends on his home planet but their names can be quite tricky to read.

Today your home learning is to try and read the names of Beegu's friends. Either draw your favourite monster or design your own one and give it a Beegu name too.

Maths: We look forward to you joining us for maths at: **10.15am or 10.45am (please see email invite for specific time)**

Measurements

This Week we have been learning all about measurements. Your home learning today is;

- Can you measure how far you can jump indoors or outdoors?
- How high can you jump? Ask someone to measure you when you jump up in the air.

Topic: This afternoon there is no online lesson.

This afternoon, I would like you to choose a piece of work that you are most proud of, that you have worked on during our lockdown lessons. We would love it if you could bring in your piece of work when you come to see us on Monday. If you would prefer, we can take a photocopy of your work so that we can send it home again. We are planning on making a lovely display of all our hard work!

Fairy words tricky troll to learn

Spend some time learning to read these common words. The pink words are **fairy words** and the green words are **tricky troll** words. Tricky troll words are hard to read as you cannot sound them out and blend them, so need to learn them on sight.

**and, is,
it, in,
at
the, no
go, i, be**

Reading

Please read every day for at least 10 minutes. If possible, we'd love to see a video of you reading... upload this onto tapestry if you can!

Be Active

Fitness Circuit Cards

Bounce a Ball

Bounce a ball on the spot:

- How many bounces can you do before dropping the ball?
- Can you bounce while walking in a circle?
- How many bounces can you do in a minute?

- Draw or paint a picture of your family during lockdown 2021.
 - Write a letter to someone special.
- Set up and enjoy a picnic, on the floor or in a den
- see what pictures you can find in the clouds.
