

Reception - Independent/Home Learning Tasks

Friday 8th January 2021

Happy new Year! Unfortunately, we can't all be in school together at the moment, but we will hopefully see you every day via our Team's lessons.

If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email us if they have any problems.

twisken@attleboroughprimary.org.uk

jskinner@attleboroughprimary.org.uk

Any resources you need for lessons will be on the school website. Click on the 'parent' tab, then 'home learning' and your 'class' page. We love to see your work so please share it with us on Tapestry as often as you can!

Here are today's learning tasks!

Live Lessons (via Teams)

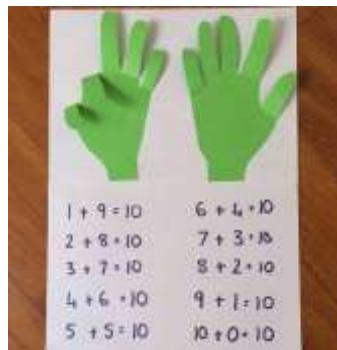

Phonics: We look forward to you joining us for phonics at: **9.15am or 9.45am (please see email invite for specific time)**

Follow up activity after lesson:
Today we learnt the sound 'f' and we practiced blending sounds to make a whole word. Ask an adult to print the 'f' words online (or copy them onto post-it-notes) and hide them around the house for you to find. Can you find them all? Can you sound them out and read them to an adult? When you find them, write them down and make a list of each word you have found.

Maths: We look forward to you joining us for maths at: **10.15am or 10.45am (please see email invite for specific time)**

Follow-up activity after lesson:
Today we have been learning our number bonds to 10. Draw around your hands and make your own number bonds resource. Use this to help you make a list of all the number bonds to 10.

Science: We look forward to you joining us at: **1.15pm or 1.45pm (please see email invite for specific time)**

Follow-up activity after lesson:
Science - weather recording

Create a daily weather chart- Record using pictures and written labels. Have a go at drawing and writing your own. Talk about how the weather has changed over the week? Can you predict what the weather might be like tomorrow? We look forward to talking about this with you next week.

Fairy words tricky troll to learn

Spend some time learning to read these common words. The pink words are **fairy words** and the green words are **tricky troll** words. Tricky troll words are hard to read as you cannot sound them out and blend them, so need to learn them on sight.

Reading

Please read every day for at least 10 minutes. If possible, we'd love to see a video of you reading... upload this onto tapestry if you can!

How many of the Reading Bingo challenges can you complete this week?

Be Active

3 Minute Challenge.

Challenges this week

- Help to write a list of things you need for your shopping.

- Help to lay the table for dinner: How many people are there? How many knives, forks, cups do you need? Write out name cards for everyone in your family to show them where to sit. Write a menu to let them know what is for dinner that night. Role play as a waitress and get everybody their drinks.

there? How many knives, forks, cups do you need? Write a menu to let them know what is for dinner that night. Role play as a waitress and get everybody their drinks.

- Organise food in the house into whether or not it is healthy or unhealthy. Help to cook a healthy dinner with your grown-ups. Have a go at drawing some pictures of healthy food.

unhealthy. Help to cook a healthy dinner with your grown-ups. Have a go at drawing some pictures of healthy food.
