

**Reception - Independent/Home Learning Tasks**

**Tuesday 9<sup>th</sup> January 2021**

Happy new Year! Unfortunately, we can't all be in school together at the moment, but we will hopefully see you every day via our Team's lessons.

If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email us if they have any problems.

Any resources you need for lessons will be on the school website. Click on the 'parent' tab, then 'home learning' and your 'class' page. We love to see your work so please share it with us on Tapestry as often as you can!

Here are today's learning tasks!

**Valentine's Day**

Today we learnt about Valentine's Day.

Your follow up task is to make a valentines' card for someone important in your life. You can design it however you want to. If you are stuck for ideas, you may print off the template online.

**Fairy words tricky troll to learn**

Spend some time learning to read these common words. The pink words are **fairy words** and the green words are **tricky troll** words. Tricky troll words are hard to read as you cannot sound them out and blend them, so need to learn them on sight.

go, i, be**

**Reading**

Please read every day for at least 10 minutes. If possible, we'd love to see a video of you reading... upload this onto tapestry if you can!

**Be Active**

Take a look at the **cbeebies website**. There are many fun activities that will get you fit. What will you choose? Yoga with Duggee or workout with Andy?
