

sYear 2 – Independent/Home Learning Tasks

Thursday 25th February 2021

If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email us if they have any problems.

ayun@attleboroughprimary.org.uk

Any resources you need for lessons will be on the school website.

Click on the 'parent' tab, then 'home learning' and your 'class' page. Here are today's learning tasks!

IMPORTANT:

There will not be online Teams learning sessions on Thursday afternoon for Ladybird and Bumblebee Classes - science activities will be on the website.

Following on from parental feedback, our Friday afternoon sessions for both classes will be at 1:15pm only. Please follow links previously emailed to you.

Other Curriculum Learning

With an adult, make some pancake batter mix and see if you can flip your own pancake! You could write a set of instructions for your teachers to follow so they can make a yummy pancake too.

Set up a pancake race at home or in your garden. Add some obstacles to make it more challenging.

Write a message of kindness to one of your friends in the class. If you ask your teacher, perhaps you can read it out to a friend at the end of a Teams lesson.

Learn to tie your shoe laces. Can this be filmed for your friends to learn?

Using lego, playdoh or anything else, create and film your own adventure story. Email it to your teacher and maybe she can share it on a Teams lesson!

Search cosmic yoga on YouTube and learn to relax. What else can you do to relax yourself?

Create a spring picture using paint, crayon or pastel.

Have a look at the Reading Bingo below and the Spelling Bingo on the school website – see which ones you can complete over the next few weeks.

#WALKING FROM HOME

WALKING ACTIVITIES FOR PRIMARY SCHOOL-AGED CHILDREN

LET'S WALK TO SCHOOL

With the below activities we're challenging you to do something different. Get outside, get creative, and share your thoughts, snaps and videos on social media!

#WalkingFromHome @LIVINGSTREETS @LIVINGSTREETS LIVINGSTREETSUK

SPELL IT OUT

AGES 8-11

Displayed on signs or shaped by nature and everyday objects, the letters of the alphabet can be seen all around when we look closely enough. When out for a walk can you spot and snap the seven letters that make up 'WALKING', then combine them in a collage to spell it out?

What other letters do you come across, and what else can you spell out?

Ask an adult to share your picture collage with us on social media using #WalkingFromHome

SPORTS DAY

AGES 4-7

Whether it's an egg and spoon race, obstacle course or something else, choose a sports day event and recreate it while out for a walk.

Before you go out, think about where you'll go and what you'll need to make it a success.

Take on a sibling or family member from your household to see who will be crowned this year's champion!

INDOOR CHALLENGE

Find out about the benefits of walking and celebrate them by making a collage.

Grab your scissors, glue and some old magazines or newspapers. Cut out pictures of people walking, and words linked to the benefits of walking. How many can you find?

Glue all your cut outs to a sheet of paper or cardboard to create your walking masterpiece!
