

Year 2 – Independent/Home Learning Tasks

Thursday 11th February 2021

If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email us if they have any problems.

Any resources you need for lessons will be on the school website.

Click on the 'parent' tab, then 'home learning' and your 'class' page. Here are today's learning tasks!

IMPORTANT:

There will not be online Teams learning sessions on Thursday afternoon for Ladybird and Bumblebee Classes - science activities will be on the website.

Following on from parental feedback, our Friday afternoon sessions from now on for both classes will be at 1:15pm only. All of Group Two will be sent the link for Friday's Group One session.

Other Curriculum Learning

Take part in some research – pick a question e.g. What is your favourite flavour of crisps? Ask a selection of people what their answer is and record the result in a tally chart, then turn the results into a bar chart.

Research a country that you would like to visit in the world. Why would you like to go there? What is the country’s flag? What is the weather like there? What do they eat or drink there?

Investigate different colours. Do you know the primary colours? What happens when you mix the colours together?

Write a letter to your teacher and post it into the school post box. We are missing you and would love to see some of your pictures and what you have been up to.

Mrs Bartram is enjoying watching the masked singer with her children. If you were to design a mask what would it look like and who would you be?

Have a look at the Reading Bingo below and the Spelling Bingo on the school website – see which ones you can complete over the next few weeks.

#WALKING FROM HOME

WALKING ACTIVITIES FOR PRIMARY SCHOOL-AGED CHILDREN

LET'S WALK TO SCHOOL

Stepping outside and giving our 'Connect' activities a go will inspire children to stay connected with friends and family! Try them out and share your thoughts, snaps and videos on social media.

PICTURE POSTCARD

AGES 8-11

Where are you looking forward to spending time with your friends again? Perhaps school or the local park?

Pick a place and take a picture there while out for a walk.

Ask an adult to help you share the picture with a friend.

Be sure to include a message with your picture and encourage your friend to send one back to you!

SPECIAL DELIVERY

AGES 4-7

Letters are a great way to stay connected with people you haven't seen in a while.

Before you go for a walk, write a letter to a friend or family member.

Post it on your walk, through their door if they live locally, or find a post box if not.

Be sure to make your letter colourful and don't forget to ask for a reply!

INDOOR CHALLENGE

Pick a relative or friend you haven't seen in a while and make a pledge to speak to them more regularly.

- Will you phone, text or email?
- How often will you contact them?

Can you turn this into a bright pledge poster for the fridge or your bedroom wall?
