

Year 2 – Independent/Home Learning Tasks

Friday 29th January 2021

If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email us if they have any problems.

Any resources you need for lessons will be on the school website.

Click on the 'parent' tab, then 'home learning' and your 'class' page. Here are today's learning tasks!

IMPORTANT:

There will not be online Teams learning sessions on Thursday afternoon for Ladybird and Bumblebee Classes - science activities will be on the website.

Other Curriculum Learning

Using a piece of card, see if you can draw a scene on the front of your favourite place e.g. a beach, or the funfair. Turn it over and draw rectangle shapes on the back which you can cut out and then you have your own jigsaw puzzle.

Have a go at designing your own meal. Write a set of instructions for how to make one of the dishes. Investigate your favourite animal, for example an owl. What can you find out about it? Can you write a poem about it or complete a piece of art to show it?

See what you can build using lego or other pieces of construction. Can it be something that is taller than you? Wider? Can it have different layers or different special features?

Draw your own self portrait, using a mirror to help capture your best features.

Create a dance film with new steps for your teachers to learn.

Have a look at the Reading Bingo below and the Spelling Bingo on the school website – see which ones you can complete over the next few weeks.
