

Year 2 – Independent/Home Learning Tasks

Thursday 4<sup>th</sup> February 2021

If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email us if they have any problems.

[rbartram@attleboroughprimary.org.uk](mailto:rbartram@attleboroughprimary.org.uk)

[ayun@attleboroughprimary.org.uk](mailto:ayun@attleboroughprimary.org.uk)

Any resources you need for lessons will be on the school website.

Click on the 'parent' tab, then 'home learning' and your 'class' page. Here are today's learning tasks!

**IMPORTANT:**

**There will not be online Teams learning sessions on Thursday afternoon for Ladybird and Bumblebee Classes** - science activities will be on the website.

**Live Lessons (via Teams)**

<p style="text-align: center;"><b>Both Classes</b></p> <p><b>English:</b> We look forward to you joining us for English at:</p> <p style="text-align: center; color: red;">9:15 - Group 1 9:45 - Group 2</p> <p>Follow up activity after the lesson:</p> <p style="text-align: center;"><b>Ladybirds</b></p> <p>Complete the grid that we started in class to review The Flower. Include likes / dislikes / puzzles and patterns.</p> <p style="text-align: center;"><b>Bumblebees</b></p> <p>Have a go at the sheet about Superlatives. What can you find?</p>	<p style="text-align: center;"><b>Both Classes</b></p> <p><b>Maths:</b> We look forward to you joining us for maths at:</p> <p style="text-align: center; color: red;">10:15 - Group 1 10:45 - Group 2</p> <p>Today we will continue to learn about Length and Height.</p> <p>Follow-up activity after the lesson:</p> <p>Have a go at the maths question sheets.</p>	<p style="text-align: center;"><b>Both Classes</b></p> <p style="text-align: center;"><b>Afternoon Science:</b></p> <p>There will not be a live teaching session today.</p> <p>Instead, go through the PowerPoint about Healthy Eating and complete the worksheets.</p>
<p style="text-align: center;"><b>Spellings</b></p> <p style="color: red;">Learn these spellings for a home test on Friday morning:</p> <p style="text-align: center;">wild child children climb most</p> <p>Have a look at the Spelling Bingo ideas on the school website.</p> <p>How many challenges can you complete this week?</p>	<p style="text-align: center;"><b>Reading</b></p> <p>Please read every day for at least 10 minutes.</p> <p style="text-align: center;"><b>How many of the Reading Bingo (attached below) challenges can you complete this week?</b></p>	<p style="text-align: center;">Enjoy...</p> <p>Active Norfolk have a fantastic collection of activities to explore; click on the link below to access ideas... <a href="#">Active Norfolk - Keeping the kids active</a></p> <p style="text-align: center;"><b>THURSDAY = TIMETABLE THURSDAY</b></p> <p>See what you can do that is more structured...</p> <p style="text-align: center;">A jigsaw? An assault course? A piece of construction?</p>

Other Curriculum Learning

Have a go at the Single – Use Plastic activities...

Norfolk recycles

Activity  
4

# Single-use Plastic

Single-use plastics are only used once before they are thrown away or recycled. Making them uses a lot of energy and precious resources and they can cause huge environmental problems after they're thrown away.

1

## Reduce Single-use

We can all help to reduce single-use plastics by making some small changes:

- Carry a reusable water bottle
- Take your own reusable shopping bags
- Invest in a reusable cup for takeaway coffees
- Pack your lunch in reusable tubs or food wraps
- Take your own metal cutlery
- Refuse plastic straws
- Buy loose fruit and veg and pop it in a reusable bag

COULD YOU AND YOUR FAMILY GIVE SOME OF THESE A TRY?

2

## Single-use sea creatures

Have a go at making fish using plastic bottles and other single-use plastic items:

- Remove the lid from a clean, clear plastic bottle
- Fill the bottle with flimsy plastic bags, sweet wrappers and plastic straws etc to add colour
- Cut fins and tails out of slightly thicker plastic, from items like crisp multipack bags or larger sweet bags, and stick them on
- Bottle lids make great fish eyes!

IN THE OCEAN, FISH OFTEN EAT PLASTIC AS THEY MISTAKE IT FOR FOOD

For more tips on reducing single-use plastics, please visit [www.norfolkrecycles.com/reducing-single-use-plastic](http://www.norfolkrecycles.com/reducing-single-use-plastic)

Have a look at the Reading Bingo below and the Spelling Bingo on the school website – see which ones you can complete over the next few weeks.
