

Year 2 – Independent/Home Learning Tasks

Monday 8th February 2021

If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email us if they have any problems.

Any resources you need for lessons will be on the school website.

Click on the 'parent' tab, then 'home learning' and your 'class' page. Here are today's learning tasks!

IMPORTANT:

There will not be online Teams learning sessions on Thursday afternoon for Ladybird and Bumblebee Classes - science activities will be on the website.

Following on from parental feedback, our Friday afternoon sessions from now on for both classes will be at 1:15pm only. All of Group Two will be sent the link for Friday's Group One session.

Other Curriculum Learning

Take part in some research – pick a question e.g. What is your favourite flavour of crisps? Ask a selection of people what their answer is and record the result in a tally chart, then turn the results into a bar chart.

Research a country that you would like to visit in the world. Why would you like to go there? What is the country's flag? What is the weather like there? What do they eat or drink there?

Investigate different colours. Do you know the primary colours? What happens when you mix the colours together?

Write a letter to your teacher and post it into the school post box. We are missing you and would love to see some of your pictures and what you have been up to.

Mrs Bartram is enjoying watching the Masked Singer with her children. If you were to design a mask what would it look like and who would you be?

Have a look at the Reading Bingo below and the Spelling Bingo on the school website – see which ones you can complete over the next few weeks.
