

**Year 2 – Independent/Home Learning Tasks**

**Monday 22<sup>nd</sup> February 2021**

If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email us if they have any problems.

Any resources you need for lessons will be on the school website.

Click on the 'parent' tab, then 'home learning' and your 'class' page. Here are today's learning tasks!

**IMPORTANT:**

**There will not be online Teams learning sessions on Thursday afternoon for Ladybird and Bumblebee Classes - science activities will be on the website.**

**Following on from parental feedback, our Friday afternoon sessions for both classes will be at 1:15pm only. Please follow links previously emailed to you.**

### Other Curriculum Learning

With an adult, make some pancake batter mix and see if you can flip your own pancake! You could write a set of instructions for your teachers to follow so they can make a yummy pancake too.

Set up a pancake race at home or in your garden. Add some obstacles to make it more challenging.

Write a message of kindness to one of your friends in the class. If you ask your teacher, perhaps you can read it out to a friend at the end of a Teams lesson.

Learn to tie your shoe laces. Can this be filmed for your friends to learn?

Using lego, playdoh or anything else, create and film your own adventure story. Email it to your teacher and maybe she can share it on a Teams lesson!

Search cosmic yoga on YouTube and learn to relax. What else can you do to relax yourself?

Create a spring picture using paint, crayon or pastel.

Have a look at the Reading Bingo below and the Spelling Bingo on the school website – see which ones you can complete over the next few weeks.

# #WALKING FROM HOME

WALKING ACTIVITIES FOR PRIMARY SCHOOL-AGED CHILDREN

## SHARE

Sometimes it's easier to walk and talk. While out for a walk, talk to your child about how they are feeling using these activities to make it fun and playful. Remember to always wash your hands before and after your walk.

Share your experiences, snaps and videos on social media.

## HAPPY THOUGHTS TREASURE CHEST

AGES 4-7

When out on your walk think of all the things that make you happy, perhaps playing, drawing, or dreaming about enchanted lands.

Collect or make a note of one thing to symbolise each happy thought.

When you return home, draw or place your 'happy thoughts' in a container and decorate it to turn it into your happy thoughts treasure chest.

## MAKE A FEELINGS STICK

AGES 8-11

Each time you go out on a walk collect something that shows how you are feeling and attach it to your stick with wool or string when you get home.

TIP: you could use different coloured things to show different feelings.

## INDOOR CHALLENGE

Can you draw an emotions tree?

Draw the outline of a tree with a big leaf for each different emotion you can think of.

Think about the colours that best reflect those emotions and use them to shade each of the leaves.
