

Year 2 – Independent/Home Learning Tasks

Tuesday 23rd February 2021

If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email us if they have any problems.

rbartram@attleboroughprimary.org.uk

ayun@attleboroughprimary.org.uk

Any resources you need for lessons will be on the school website.

Click on the 'parent' tab, then 'home learning' and your 'class' page. Here are today's learning tasks!

IMPORTANT:

There will not be online Teams learning sessions on Thursday afternoon for Ladybird and Bumblebee Classes - science activities will be on the website.

Following on from parental feedback, our Friday afternoon sessions for both classes will be at 1:15pm only. Please follow links previously emailed to you.

Other Curriculum Learning

With an adult, make some pancake batter mix and see if you can flip your own pancake! You could write a set of instructions for your teachers to follow so they can make a yummy pancake too.

Set up a pancake race at home or in your garden. Add some obstacles to make it more challenging.

Write a message of kindness to one of your friends in the class. If you ask your teacher, perhaps you can read it out to a friend at the end of a Teams lesson.

Learn to tie your shoe laces. Can this be filmed for your friends to learn?

Using lego, playdoh or anything else, create and film your own adventure story. Email it to your teacher and maybe she can share it on a Teams lesson!

Search cosmic yoga on YouTube and learn to relax. What else can you do to relax yourself?

Create a spring picture using paint, crayon or pastel.

Have a look at the Reading Bingo below and the Spelling Bingo on the school website – see which ones you can complete over the next few weeks.

#WALKING FROM HOME

WALKING ACTIVITIES FOR PRIMARY SCHOOL-AGED CHILDREN

LET'S WALK TO SCHOOL

EMBRACE

Through these activities, we'd like to encourage you to embrace the ideas that bring us together and the special things that make us unique. Get involved with our 'Embrace' activities, and share your thoughts, snaps and videos on social media.

WALK YOUR WAY

AGES 4-7

There are many ways you can make your walk unique. You might paint your face, wear a costume or make up a song.

Whatever you do, take pride in being different!

Ask an adult to help you share your experience with a friend, and remember to ask how they walked their way.

A MILE IN THEIR SHOES

AGES 8-11

Try putting yourself in the shoes of someone who may experience the world differently. Perhaps a wheelchair user or someone who is visually impaired.

While on your walk, what do you encounter which could be improved for that person? Is there something blocking the pavement, or not enough time to cross the road?

When you get home, write about your experience explaining what you would change and why.

INDOOR CHALLENGE

Pick someone you know and think of:

- three things you have in common;
- three things that make you unique and different.

You rock!

Can you write that person a letter about why you like these things about them, to share next time you see them?
