Friday 12th February 2021

Happy Friday! Happy Chinese New Year! I am looking forward to seeing you on our Team's lessons again today! If you get stuck or technology does not work, don't worry. There is lots of learning you can still do, but it is important that you do some learning every day so that we don't get behind.

Your parents can email me if they have any problems. jmartin@attleboroughprimary.org.uk
Any resources you need for lessons will be on the school website. Click on the 'parent' tab, then 'home learning' and your 'class' page [Yr5 - Badger Class | Attleborough Primary School \(attleborough-pri.norfolk.sch.uk\)](#). Here are today's learning tasks!

Live Lessons (via Teams)

English: I look forward to you joining us for English at:

9.15am or 9.45am

Today we will be writing our alternative endings for familiar stories.

Follow up activity after lesson:

You will need your story map from yesterday. We will have a go at doing some writing together turning a story map into paragraphs and discussing what needs to be included. Then, you will write your alternative ending. You will need to send this piece of work in please so I can read them and see how you have got on. Remember to reread your work as you go and check your punctuation and spellings.

Maths: I look forward to you joining us for maths at:

10.15 or 10.45

Today we are working on reading and interpreting timetables.

Follow-up activity after lesson:

Click on 12.2.21 Maths independent task. Have a go at either the bronze, silver or gold questions like you would in class. You don't have to print them out, just write your answers on a piece of paper. There is also a challenge to try if you want to. After you have had a go at the questions, you or an adult can mark them. Anything you aren't sure about we can go through on Monday.

Topic: I look forward to you joining us at:

1.15 or 1.45

Today we will be learning about the lantern festival and the story of the origins of Chinese New Year!

Follow-up activity after lesson:

Click on 12.2.21 Topic independent task. You will be making your own Chinese lantern and decorating it. You will also write a riddle to hang from the bottom of your lantern. Be Active

Have a go at one of these activities:

Race across the River

- Agree a start point (one side of a big river) and a finish point (the opposite side of the river).
- Using two objects (cushions, pillows, or other flat objects) can you cross the river without touching the floor?

- Challenge yourself! How many times can you cross the river back and forth in three minutes?
- Place treasure in the river (toys). Each piece of treasure is worth one point. Who can score the most points?

Combat Circuit
