 **Mastery Checkpoint**

Have you mastered adding 3-digit numbers in columns?

Here is Bill's homework.
Check each answer using column addition.
How many of his answers are right?

a. $482 + 243 = 625$

b. $328 + 556 = 884$

c. $739 + 187 = 916$

d. $275 + 556 = 721$

Champions' Challenge

Which of these do you think will give the largest total?

$356 + 827$

$37 + 679 + 585$

$296 + 607 + 364$

Set them out and find each answer to check your prediction.
