Show off what you can do! Can you write exactly 100 words? There is an optional designing challenge if you want to do a bit extra.</p> | <p>Maths: Today will be trying to solve some clues so you can escape a forest you are lost in.</p> <p>Lesson Tasks: Click on 8.2.21 Maths independent task instructions. If you aren't printing the clues, then you can just work through the clues in any order you want. You don't need to print them. Once you have got the 10 digit passcode, get an adult to check it to see if you can escape the forest! Good luck! Happy clue solving!</p> | <p>PHSE/Assembly (Picture News): Today's question is: How important is it to plant more trees?
