You are searching online for facts about giraffes and you come across a fact you didn't know before.

Fact 1:  
Giraffes only need to drink once every few days

You look in a book called 'All about Giraffes' and see the same fact!

You then ask your Nan, who loves giraffes, and she tells you it is true.

? Do you trust it?

There is a chat function on an online game and another player sends you this message.
