

Can I use and punctuate direct speech?

Role Play

Chatbox Challenge

Imagine you are Billy or the little people.
What conversations might you have?

What are the little people like?
Are all of the little people friendly and happy?
How is Billy feeling?
What might he do first?
What things would he want to know?

Jot your ideas down here

Bronze

Record 3 lines of dialogue, using speech marks to punctuate.

Silver

Record a short conversation between Billy and the little people. Use the rules for punctuating direct speech carefully.

Gold

Record a short conversation between Billy and the little people. Consider the dialogue and verbs used carefully to show the characters personality and feelings.
