

Your task today is to create a set of instructions on how to make a coaster or basket from plastic bags/wool/string.

You can see an example of a set of instructions and how to lay them out, above.

Don't forget to include in your instructions:

- Title
- List of materials needed
- Method, including bossy verbs (put, cut, tie) and adverbs (carefully put, slowly tie etc)
- Pictures to show how to... with labels
- Tips and hint boxes (you may have found a way to do something and share it)
- You can also..... comment at the end.

Get ready to share your instructions tomorrow!
