

Can I sequence and retell a story?

Friday 29th January

Task: Cut out each picture and then place them in order. Next to each picture write a sentence explaining what is happening in it.

Make sure you use **full sentences**, joining them with **time words**, and **interesting vocabulary**:

e.g. 'One sunny day, a young boy found an old, rusty camera washed up on the beach.'

Remember: Who? What? When? Where? Why? How?
