Live Lessons (via Teams)

<p>English: We look forward to you joining us for English at: 9:15 or 9:45am</p> <p>This week we are starting a Talk for Writing Story – ‘Kassim and the Greedy Dragon.’</p> <p>Each day this week we will learn a part of the story. Children should add to their story map every day so that they learn the story</p> <p>Follow up activity after lesson: Kassim and the Dragon is a warning story. The main character was told not to do something but does anyway, leading to consequences.</p> <p>Write (or draw) about a time when you were warned not to do something.</p> <ul style="list-style-type: none"> • Who warned you? • What happened? • Was there a consequence? 	<p>Maths: We look forward to you joining us for maths at: 10:15 or 10:45am</p> <p>Follow-up activity after lesson: <u>Turns and Angles</u> Choose Bronze, Silver or Gold challenge either in fluency or Problem Solving and Fluency (or both!)</p> <p>There is an extension task too!</p>	<p>French: We look forward to you joining us at: 1:15 or 1:45pm</p> <p>Follow-up activity after lesson: <u>Clothes</u> Bronze: Page 1 – Worksheet with 1 star Silver: Page 2 – Worksheet with 2 stars Gold: Page 3 – Worksheet with 3 stars</p> <p>Complete the wordsearch if you wish!</p>
<p>Spellings</p>	<p>Reading</p>	<p>Be Active</p>
<p>These are your spellings! Test Friday! Set 1: certain, circle, complete, consider, continue or Set 2: find, floor, gold, grass, great</p>	<p>Please read today for at least 15 minutes.</p> <p>Use 10 words from your book and write them in alphabetical order</p> <p>The Oak National Academy has opened a Virtual School Library! Every week there is a new book to read. https://library.thenationalacademy</p>	<p>Play ‘Around the Sock’ from Joy of Moving booklet on Home Learning page of the school website. Take a picture of yourself playing and post to social media #JOMWinterGames or @NorwichCityCSF and be in with a chance of winning prizes for the school.</p>

Other Curriculum Learning Tasks

Every day this week we are going to have a Design Technology activity linked to our Healthy Eating unit – Sandwiches. Later in the week you will be making your healthy sandwich!

Design Technology: - Design a healthy sandwich.

Use your knowledge about healthy eating from science to design your own healthy sandwich using ingredients from the different food groups. Draw an exploded diagram of your sandwich.

Food Groups

Fruit and Vegetables
These are good sources of vitamins and minerals and fibre. Aim to eat 5 portions a day! Choose from fresh, frozen, tinned, dried or juiced. Fruit juice and/or smoothies should be limited to no more than a combined total of 150ml per day.

Carbohydrates
Starchy foods such as potatoes, bread, rice, pasta and cereals should make up just over a third of the food you eat. These are important for giving us energy. Choose higher-fibre, wholegrain varieties, such as wholewheat pasta and brown rice, or simply leave skins on potatoes.

Food and Drinks High / or Sugar
Eat less often and in small amounts.

Proteins
Proteins such as beans, pulses, fish, eggs, meat are very important for helping us grow and build muscles. Beans and pulses are a good alternative to meat as they contain less fat and are higher in fibre and protein. Try to eat 2 portions of fish a week, and try to reduce intake of red and processed meat.

Dairy and Alternatives
These are a source of calcium which is important for strong teeth and bones. Choose lower fat and sugar options.

Oil & spreads
Choose unsaturated oils and spreads and use in small amounts. Eat sparingly.

Water, lower fat milk, sugar-free drinks including tea and coffee, all count.
6-8 a day
Limit fruit juice and/or smoothies to a total of 150ml a day.

Well-Being: Make it Monday!– Get creative and get your week off to a fantastic start!

Recycle your junk into something sporty! Have a go at some junk modelling and make something fun to be active with.

You will need:

Clean recycling items such as plastic bottles, jar lids, cardboard boxes, Art materials: paint, scissors, glue or sticky tape, Your imagination!

You could make a tenpin bowling game using plastic bottles... a colourful target for throwing balls into... a junk obstacle course... be as creative as you like!

Tackling Tables – Keep practising. Make up a game, song or rhyme to help you learn a tricky times Table
