Other Curriculum Learning

Design Technology: Make your healthy sandwich for your lunch today! Remember to follow the food hygiene rules and follow your instructions step by step. **Make sure an adult is helping you when you need to use a knife to cut ingredients.** Take some pictures – we would love to see them

Well-Being: Times Table Thursday! Practise your spelling with this fun activity from GetSet4PE!

What you need: Sticky notes (or use sticky tack and paper), A pen, A ball or a pair of socks

How to play

Write a letter of the alphabet on each sticky note and stick them to a wall

Stand three metres away and throw your ball to hit the letters and spell the following words: SUN, SPRING, FLOWER, RAINBOW

Then have a go at making your own word
Have someone else with you? Can they guess your word?
Playing against someone else? Who can spell the words in the quickest time?

English: take a look at Pobble 365. What is the picture for today? Let it inspire you to write either a poem or a short story.
