Draw a story map for your warning story, then re-tell your story to an adult so you know it well. We will be writing our stories next week in school.

No need to print all the pages from the booklets (especially bronze booklet!)

Just print or pick the pages you want to do

Bronze – Complete 2, 5 and 10 Time Table Activity Booklet Or Shape Scavenger Hunt

Silver - Complete some of activities in the Maths Activity booklet covering some of the areas we have learnt about recently. Have fun!

Gold - Complete the Maths Activity booklet. Have fun!

Topic: Rainforests

Last week we learnt about deforestation and how the rainforests are being destroyed.

Design your own ‘Save the Rainforest’ Poster. Your poster should raise awareness of deforestation and the problems this can cause. You could include some ways we can help eg: by saving water. Make sure the purpose of your poster is clear, try not to include too much text and make it eye-catching.
