

Year 4 – Independent/Home Learning Tasks

Thursday 21st January 2021

Welcome back to our second full week of learning. I am really pleased with how you seem to have settled down to using the technology and I think we have had started to use the chat box well and we are all becoming more confident with sharing on the screen. I have set the meetings on repeat so use the email I sent at the beginning of last week to access the links. Click on the same link for the lesson of your choice (time-wise) every day.

It is important that you do some learning every day so that we don't get behind.

Your parents can email me if they have any problems.

Any resources you need for lessons will be on the school website. Click on the 'parent' tab, then 'home learning' and your 'class' page.

I will also email a zip folder each day to make it easier. Here are today's learning tasks!
