PE Premium 2019/2020

What is Sports Premium?
The government has providing £150 million per annum to provide substantial new funding for primary school sport. The funding is being jointly provided by the Departments for Education, Health, and Culture, Media and Sport, with the money going directly to primary schools to spend on improving the quality of sport and PE for all their children. This year at Rosecroft Primary and Nursery School we will receive £18,910, this must be spent on improving our provision of PE and sport, but have the freedom to choose how they do this.
